Our address is 9th Floor, 30 Crown Place, London EC2A 4ES.

2. THIS AGREEMENT

- 2.1 Capitalised Terms used in this Agreement have the meanings defined in Clause 20.
- 2.2 Supplemental Terms apply in respect of each Instrument we offer. These are set out in the Schedules to this Agreement. Should there be any conflict between the terms in the Supplemental Terms and the main body of this Agreement, the Supplemental Terms will prevail.
- 2.3 This Agreement includes our Supplemental Terms relating to spread betting, CFDs and the use of the Platform, referred to in Clause 2.2 above.
- 2.4 This Agreement shall govern the provision of the Services (as specified by you in your Application Form and, where applicable, your Professional Application Form) by us to you and each Transaction entered into under this Agreement. This Agreement shall come into effect on the date we open your Account. Please read the Agreement carefully and contact us if you do not understand any of the terms. By signing the Application Form or by electronically submitting your Application on our website you confirm that you accept the terms of the Agreement.

3. DEALING WITH US

3.1 We will at all times deal with you in our capacity as your contracting counterparty.

3.2 You will enter into each Transaction with us as principal and not as an agent for any other third party. You will be solely responsible for all obligations arising out of a Transaction, and we will treat you as our client in relation to the Transactions at all times. You will not allow any person to deal or manage your Account on your behalf unless we agree that such a person (the “Attorney”) may do so. In some circumstances, an executor or insolvency practitioner may be empowered to conduct activities on your Account. In these circumstances and for us to agree to this, please contact the compliance department at: support@tradenation.com.

If we agree that an Attorney may act on your behalf, we will be entitled to rely on any instructions given to us by the Attorney in relation to your Account. We may require confirmation that the Attorney has authority to act on your behalf at any time. If you act in connection with or on behalf of someone else, whether disclosed or not, we will not accept such person as an indirect customer of ours and will accept no obligation to them unless otherwise specifically agreed.

3.3 In our dealings with you, we may classify you as a Retail Client, Professional Client or Eligible Counterparty. Unless we expressly agree otherwise in writing with you, we shall at all times treat you as a Retail Client. You may request a different client classification to the one allocated to you but please be aware that we may decline such a request. If you do request a different category from Retail Client and we agree to such a request, you will lose the protections afforded by certain FCA Rules. In certain circumstances we may wish to re-categorise you but, if we do so, we will write to you explaining clearly why we are doing this and the effect this will have on your rights. We will request your consent to such re-classification.

3.4 We will always deal with clients on an Execution Only basis. As an advisory service is not offered for Retail Clients (or clients of any FCA classification), the provisions of the FCA’s Retail Distribution Review regulations shall not apply.

3.5 You will not have any rights of ownership or otherwise in any Instrument as a result of a Transaction with us. We will not transfer any

Instrument or the rights in such Instrument (such as voting rights) to you.

4. THE SERVICES

4.1 We will only deal with you on an Execution Only basis. This means;

(a) we will not be responsible for assessing the suitability of any Transaction for you;

(b) you will be solely responsible for deciding whether to enter into a Transaction. We will not be liable for any Losses which you incur in relation to any Transactions;

(c) you are solely responsible for monitoring the status of your Transactions; and

(d) you are solely responsible for maintaining sufficient Margin with us.

4.2 We shall not be under any obligation to notify or inform you of any information in relation to the above.

4.3 We may, from time to time (either independently or in response to a request from you), provide you with factual information regarding a Transaction or the mechanism for entering into a Transaction and the risks associated with Transactions. This will not constitute the provision of investment advice by us, and we shall be under no obligation to provide you with this information, even if we previously have done so. You agree that you will not rely on, or treat as advice, any information provided by us, or any statements made by us, or any of our employees, in relation to any Transaction.

4.4 We may, at our discretion, remove, withdraw or suspend any market from our Platform. We will give you at least one calendar weeks' notice of any removal, withdrawal or suspension. In some circumstances we may have to suspend a market immediately. You agree to honour any Losses that you have incurred or might incur as a result of any removal, withdrawal or suspension of markets.

5. ASSESSMENTS

- 5.1 As CFDs and Spread Bets are complex financial investments, we are required to assess your knowledge and experience of the risks of such investments before allowing you to proceed with the opening of the Account. The Risk Warning Notice sets out the risks associated with complex financial investments but essentially, they are high risk investments and you can lose more than you invest. Therefore, you should only invest in such investments if you are happy to assume a high level of risk.
- 5.2 We shall publish information on our website, referred to as; “Key Information Documents” (“KIDS”) regarding the various financial Instruments that we offer. It is your responsibility to ensure that you read and understand the nature, risks and costs of the Instruments we offer and, where appropriate, take independent financial advice.
- 5.3 We shall base our assessment of Appropriateness based on your knowledge and experience of the risks of CFDs and/or Spread Bets on the information you provide on your Application Form, and, if applicable, any other basis, such as a face-to-face meeting which can be through technological means such as video conferencing. If you choose not to provide us with the information we request or if you provide insufficient information or your answers indicate that the Instruments we provide are not Appropriate for you, we may not be able to open an Account for you. We shall assume that all information you provide on the Application Form and in any further document provided to us is accurate and complete. You must immediately notify us of any changes to the information you have provided in the Application Form in writing. Any changes to the information will take effect upon receipt and confirmation by us.
- 5.4 From time to time we may conduct checks as to your continuing Appropriateness and soundness with regards to your trading activities and Transactions. If we believe that your activities are disproportionate, misleading or false relative to the information that you have provided us in your original assessment questions, you agree that we may be entitled to ask further questions or take other action on your Account.
- 5.5 As part of our client due diligence on opening your Account we shall undertake a Know Your Customer evaluation (“KYC”). You consent to us processing your personal data as submitted on your Application Form either electronically or on paper to third party agencies.

5.6 After opening your Account and from time to time during the lifetime of your Account, we may ask for a further proof of address, identity, or proof of country of residence, bank statement, from you.

6. QUOTES

6.1 Our Platform supplies real time quotes being the buy and the sell price for markets that we offer Instruments on, which you can trade as long as you hold sufficient funds with us.

6.2 The price quotes will include our fees or spreads applicable to that Instrument, and as calculated in accordance with our Market Information Sheets which are available on the website.

6.3 A 'buy' position may also be referred to as a 'long' position or 'going long' and will be placed at the higher of the figures quoted by us to you. A 'sell' position may also be referred to as a 'short position' or 'going short' and will be placed at the lower of the figures quoted by us to you.

6.4 You may not enter into a Transaction on the basis of any price which is described as "indication only", "indicative" or by words or messages to the same effect.

6.5 Many markets can often be very fast moving. You accept and acknowledge that a price quoted on the data feed you receive for a given Instrument is informational and that where you enter into an Order at what appears to be the market price per the data feed, the market may have moved by the time your Transaction is executed. You agree that your Transaction is valid and legally binding where the price you attempt to trade has varied because of the underlying market movement by the time of acceptance of the Transaction. This is restated in the Supplemental Terms.

6.6 We will at all times execute Transactions in accordance with our Best Execution & Price Formation Policy which can be found on our website.

6.7 For Transactions executed when the relevant exchange or dealing facility is closed or where there is no exchange or dealing facility, our price will reflect what we consider the market price of the underlying Instrument is at that time.

7. TRANSACTIONS

7.1 You agree that all Transactions entered into with us shall be subject to:

(a) the fees, commissions or spreads specified in our Market Information Sheets which are informational only and subject to change and are available on the website or on request;

(b) our Best Execution & Order Handling Policy; and

(c) the relevant CFD or Spread Bet Schedule applicable to the Transaction.

7.2 When we enter into Transactions with you as counterparty, if you have an open long Transaction and enter into a short Transaction on the same Instrument, we may net your positions (unless you have selected a hedge button on our Platform) which may result in:

(a) if the short position is less than the open long position, you have partly closed out the long position resulting in a reduced long position on the Instrument;

(b) if the short position is equal to the open long position, you have closed out the entire long position on the Instrument; or

(c) if the short position is greater than the open long position, you having a new short position based on the excess size of the short position.

7.3 If you have an open long Transaction and enter into an additional long Transaction on the same Instrument, we will combine these positions resulting in a larger long Transaction on the Instrument.

7.4 Where you have an open short Transaction, the provisions of Clause 7.2 above shall apply equally when an opposing long Transaction is entered into on the same Instrument as are the provision of Clause 7.3 if you have an open short Transaction and enter into an additional short Transaction.

7.5 You may close out a Transaction by entering into an equal opposing Transaction. On the closing out of a Transaction:

(a) if the net position results in a positive balance, we will credit this amount to your Account with us; or

(b) if the net position results in a negative balance, we will debit this amount from your Account with us.

7.6 Following the acceptance by us of a Transaction, you will normally receive an onscreen Confirmation.

7.7 The Platform will issue an onscreen Confirmation for each Transaction as evidence of the Transaction. The absence of an onscreen Confirmation, however, will not affect the validity of the Transaction. You may access your Account status on the Platform at any time.

7.8 Please check the onscreen Confirmation immediately on receipt to see that it accurately reflects your instructions. Unless we receive notice from you, immediately disputing the Confirmation (or the contract terms it reflects) we shall assume that the terms of the Transaction contained in the Confirmation are accurate and binding on you. Non-receipt of a Confirmation shall not affect the validity of a Transaction, and you should contact us as soon as possible if you have not received a Confirmation.

7.9 You agree that we may refuse to enter into a Transaction with you and even after we have entered into a Transaction with you, we may close you out of that Transaction, or treat that Transaction as void if:

(a) the Transaction has been entered into other than in accordance with the terms of Clause 6 and this Clause 7;

(b) we have not provided you with a quote through the Platform or verbally, by phone;

(c) the offer and acceptance of the Transaction was not made during the validity period displayed by the Platform;

(d) any quote provided to you is subject to a Manifest Error;

(e) the Transaction has been entered into by you at a price that is incorrect for reasons including, but not limited to, the quality of market data received by us, latency in the delivery of our prices or execution of the Transaction when compared to the relevant

underlying market or stale prices where there are instances of underlying market data freezing;

(f) the Transaction (or, in the case of part closure of the Transactions, the residual Transaction) does not comply with any Minimum and Maximum Size Requirements that may be agreed between us. Please call our dealing team or customer services for further details if required;

(g) a Force Majeure event has occurred;

(h) an Event of Default has occurred;

(i) the Transaction would result in you failing to comply with your Margin requirements; or

(j) the Transaction would result in a breach of any Applicable Rules and Regulations or market best practice or in any adverse market conditions.

7.10 We shall have complete discretion in deciding whether to void any Transaction in accordance with this Clause 7, and all Transactions shall remain binding on you notwithstanding a Transaction being in breach of the above until we notify you in writing either by, telephone, email or letter that we have elected to treat such Transaction as void.

7.11 We shall be entitled, at our absolute discretion, to amend any Transaction in order to:

(a) correct any Manifest Error;

(b) comply with any Applicable Rules and Regulations; or

(c) take into account any Corporate Action and/or Event;

and you agree to immediately return to us any monies previously paid, or for us to make the appropriate adjustment on your Account under a Transaction amended pursuant to this Clause 7.11.

7.12 Trade Nation may close all or part of any open position or refuse to open new positions in the event of a market disruption, at our absolute discretion with or without notice to you, (and without prejudice to any

other rights and remedies you may otherwise have under this Agreement or at law). Market disruption will be deemed to have occurred when any of the following events happen:

- a) the Underlying Instrument to which the open position relates is the subject of a takeover or the issuer of such security, derivative, market or exchange has entered into or is the subject of insolvency or liquidation proceedings;
 - b) the Underlying Market has been suspended due to a Force Majeure event;
 - c) where an Event of Default occurs;
 - d) the Underlying Market to which the open position relates becomes illiquid and due to such illiquidity we are unable to trade or borrow a sufficient quantity of such Underlying Instrument to cover or settle any hedge position related to or in connection with the open position;
 - e) if we are required, at any time, by a lender to return any Underlying Instrument borrowed by us which relates to the open position and we are then unable to maintain a hedge position in respect of the open position;
 - f) if at any time we are otherwise unable to establish or maintain a hedge position, or any other hedging disruption occurs, in respect of the open position or the continuation of any such hedge is likely, in our opinion, to result in an increase in cost to us;
 - g) if we reasonably consider that there are Exceptional Market Conditions occurring or about to occur such as any event which disrupts the trading of the security or derivative, or the relevant market or exchange including the suspension of limitation of trading by reason of movements in price exceeding limits permitted by the relevant exchange, or of regulatory or other intervention, or otherwise, and/or any other event causing market disruption and which in any such case is a material disruption (in our sole determination);
- 7.13.** You also acknowledge and agree that Trade Nation will have the right to close any open position in its sole and absolute discretion without notice if the relevant Underlying Instrument is a derivative financial instrument which may settle on expiry by a delivery other than in cash, a reasonable period prior to the expiry date of such instrument as determined in the sole and absolute discretion of Trade Nation;

7.14. We will exercise our rights in this Clause 7 as soon as reasonably practicable after we become aware of any of the existence of any of the matters listed in the clauses 7.11, 7.12 and 7.13, respectively. You agree to notify us immediately if you become aware of the existence of any such matter. In the proven absence or fraud, wilful deceit or gross negligence by us, we will not be liable to you for any Losses resulting from the exercise by us of our rights under this clause 7.

8. ORDERS

8.1 Subject at all times to Clauses 6 and 7, you may request that, in relation to any Transaction, any of the following Orders are applied:

(a) a **Limit Order** which is essentially an Order to open a new position or to close an existing position at a predetermined price specified in the Order;

(b) a **Stop Order** which is essentially an Order to open a new position or to close an existing position when a predetermined trigger price specified in the Order is attained or surpassed;

(c) a **Stop Loss Order** which is designed to limit your Loss to a certain level at a price specified in the Order; or

(d) a **Guaranteed Stop Loss Order** which guarantees your Losses to a certain level specified in the Order, even if the market price falls to a level lower than that specified in your Order, if you have a buy position, or if the market rises to a level higher than that specified in your Order, if you have a sell position.

(e) a **One-Cancels-the-Other Order** which combines a Stop Order with a Limit Order. When either the stop or limit level is reached, and the Order executed, the other Order will be automatically cancelled.

(f) a **Trailing Stop** is an Order that is set at a defined points or percentage away from the Instrument's market price where it automatically adjusts in relation to a favourable move in the market price of an Instrument.

8.2 It is your responsibility to understand the features of an Order and how the Order will operate before you place it. Before you place an Order for

the first time, we recommend that you educate yourself about the Order by requesting such information from us so that you fully understand the features of the Order.

- 8.3** The range of Orders we will accept shall be decided by us in our absolute discretion and we will have total discretion as to whether to agree to allow you to place an Order in relation to a Transaction. Certain Orders may only be available for certain types of contract.
- 8.4** We will endeavour to fill Orders once the price specified in the Order has been reached or at the occurrence of the condition specified in the Order. However, we may not be able to execute Orders if there is an Event beyond our control in relation to the underlying investment. For all Orders other than Guaranteed Stop Loss Orders, we may not be able to execute your Order at the price level you specify in the Order. In such circumstances, we will use our best endeavours to execute your Order at a price nearest to your specified price.
- 8.5** All Orders will be considered by us Good 'til Cancelled. Unless an Order is cancelled or ceases to have effect, we will regard it as valid and execute it when the price reaches the price specified in the Order or the specified Event or condition occurs.
- 8.6** You can only cancel or amend an Order if we have not acted upon it. Users of the MT4 Platform may only cancel or amend Orders when the underlying market is open for trading. You may, subject to prior consent by us, cancel or amend an Order at any time before we act upon it.
- 8.7** If you have attached a Stop or Limit to your Order it is important to note that, in the event of slippage occurring, the level of the attached Order will be rebased to mirror the amount of slippage. So, for example, if your first Order has slipped by 5 points, the levels of any attached Orders will also move by 5 points.
- 8.8** We offer Guaranteed Stop Loss Order for a limited range of contracts, available on request, on our CloudTrade Platform only. For these contracts:
 - (a) It will be stated on the website if a Guaranteed Stop Loss Order is available;

- (b) We may charge a premium payment. The rate or price of this payment is set out in the Market Information Sheets which are available on the website;
- (c) We will only execute a Guaranteed Stop Loss Order during Trading Hours;
- (d) We will execute a Guaranteed Stop Loss Order at the price you specify, when that price level is reached; and
- (e) We may make available and set minimum and maximum quantities which are different from the minimum and maximum quantities which apply to the other types of Order.

9. MARGIN

- 9.1 You agree, upon entering into a Transaction, to pay Margin to us in relation to that Transaction ("**Initial Margin**"). You agree to maintain such Margin at the level required by us during the term of the Transaction.
- 9.2 The Initial Margin and your ongoing Margin requirement shall be calculated by us with reference to the Market Information Sheets which are available on the website which are informational only and subject to change.
- 9.3 Initial Margin shall be due and payable by you immediately upon entering into a Transaction.
- 9.4 Your Margin requirement will change depending upon the performance of your open Transactions. We will calculate an indicative profit and Loss amount (your "P&L") based on your unrealised trading profits and Losses. If your Account equity (Cash Balance + Profit and Loss) is less than your Margin requirement, you agree to make an additional Margin payment to us. The additional Margin payment shall be due and payable to us immediately upon your Margin requirement being less than your equity amount, unless we specifically agreed otherwise with you in writing.
- 9.5 Details of your current Margin requirement and P&L are available through the Platform. You agree that you are solely responsible for monitoring your Margin requirement, P&L and Account balance.

- 9.6** For the Trade Nation Platform, all open positions will be closed at the prevailing Quote in relation to this clause.
- 9.7** For the MT4 Platform, open position P&L will dictate the order in which open positions are closed in relation to this Clause, with the open position incurring the greatest Loss being closed first.
- 9.8** It is your responsibility to ensure you maintain sufficient Margin in your Account at all times. We may, but shall not be under any duty to, contact you in relation to making additional Margin payments (a “Margin Call”). We may make a Margin Call to you at any time and in accordance with Clause 9.1 above.
- 9.9** If you fail to maintain sufficient Margin, we may, at our absolute discretion, allow you to maintain your open Transactions with us. However, we reserve the right to subsequently close out any open Transactions should you fail to provide sufficient Margin. You acknowledge and agree that you may incur further Losses should we allow you to maintain an open Transaction in the absence of you having sufficient Margin.
- 9.10** Margin payments must be made in the Base Currency in cleared funds in accordance with Clause 10 below. If any payment mechanism fails with regard to any Margin payment, we shall be entitled (at our discretion) to treat the Transaction as void or close out the Transaction at the prevailing market rates. You agree to reimburse us any Losses we may incur in relation to the failure of a payment mechanism.
- 9.11** We may amend the Margin requirements in relation to any Instruments at any time, and you agree that any additional Margin following such amendment shall immediately be due and payable to us, unless we have agreed otherwise in writing with you. Any such changes to our Margin requirements shall be made to our Market Information Sheets which are available on the website or on request.

10. PAYMENTS

Payments to Us

- 10.1** All payments owed to us shall be immediately due and payable, on deemed receipt by you, of a written or oral demand by us. All payments to us must:

(a) be made in the Base Currency; and

(b) be made with either a debit or credit card, an alternative payment method that we may offer at the time such as Skrill or via a bank transfer. We will not, unless explicitly agreed in advance with you, accept cheques. In addition, we do not accept cash payments.

(c) When you remit funds to us via bank transfer, you should include your trading Account number and/or your username as a reference to enable us to apply funds in a timely manner. In the event we are unable to immediately identify you as the trading Account holder, we will make every effort to identify the source of the funds as quickly as possible with the information we have on file about you and we may also attempt to contact you either by phone or email. We are however, required under FCA regulation, to return the funds to source if we have not been able to identify the remitter within 10 business days.

(d) We do not accept funds from third party source(s) which we have not previously verified and without prior agreement from us. Any third-party funds will be referred to our Compliance Department for review and action. Our default position shall be to return the funds back to source. We shall have ultimate discretion in deciding what a third-party payment shall be.

(e) We may, at our discretion and subject to review, accept transfers of funds, such as, but not limited to, broker to broker transfers from other financial institutions and we may, at our discretion, limit the amount of transfers that you are permitted to make or receive.

(f) We may accept pre-paid credit cards at our discretion and subject to further checks and verification by us.

10.2 We reserve the right to pass on to you any processing costs incurred by us in relation to any payment mechanism used by you to transfer funds to us. In addition, if you transfer funds to us which are not in the Base Currency, we may, at our absolute discretion, either refuse the transfer, or convert the transfer into the Base Currency using a rate based on the prevailing market rate decided by us.

10.3 You indemnify us against any bank charges which are subject to any deposit or withdrawal that you make (for example, but not limited to, foreign exchange currency). Trade Nation is only able to apply the

amount of funds that are credited to our segregated client money accounts.

Payments to You

- 10.4** We shall, on receipt of a request by you, transfer to you any funds standing on the cash balance of your Account. However, we shall be entitled to deduct from any such payment any and all outstanding amounts owed to us, and any bank charges incurred in making the payment to you. We shall have absolute discretion in the choice of payment gateway mechanism for remitting funds to you. Payments made to you will be made by us in a timely manner. The time taken to receive your funds, especially overseas territories, may vary and may be due to factors beyond our control such as, but not limited to; checks conducted by your bank, local regulations and other payment gateway systems requirements external to us. You acknowledge and agree that we shall be under no obligation to make any payment to you if the amount of such payment would reduce the equity on your Account to below the amount of Margin required for you to maintain your open Transactions or result in a negative balance on your Account.
- 10.5** Unless explicitly agreed in writing with you (and subject to any additional customer due diligence requirements known as “Know Your Customer” (“KYC”)), we shall not transfer funds to any Account other than used previously to deposit with us unless rights have been granted in clause 3.2. This includes distributions in payments on your Account and where an Account is funded with a credit or debit card, this means payments back to that card or Account associated with that card from which your initial payments originated.
- 10.6** Note that some card or payment portal providers may restrict the amount of funds we can refund to you, for example where your profits exceed your original deposit(s). In such circumstances, we will normally transfer the balance owing to you by bank transfer. To comply with appropriate due diligence and AML, it may be necessary to obtain a copy of your bank statement so that we may validate the final destination account.
- 10.7** We will not send funds back to an unverified source.
- 10.8** We will not return funds to an expired card.
- 10.9** For a credit or debit card to be verified you must have made at least one deposit with us using the card and the deposit must have fully

passed through the fraud protection measures of the card/payment provider.

10.10 For a bank source to be verified we may:

(a) Ask you to provide a correct bank statement dated within the last 12 months clearly showing your address and account details (and if we request it, the statement should be certified), or

(b) Request that our bank make a source trace of the bank account you used to make a previous bank deposit with us. A source trace can take up to 5 business days.

(c) Ask you to send us a copy of the bank confirmation for you transfer.

10.11 By default, when one or more debit or credit cards is used to make deposits, we will return subsequent withdrawals to those verified sources until the source has a net balance between you and us of at least zero. Where you have used multiple cards to deposit, this may result in withdrawals being split between your cards.

10.12 You may request withdrawals to a specific verified source at the time of withdrawal but we retain the right to allocate a withdrawal as we deem appropriate in order to comply with our anti-money laundering and fraud prevention rules.

10.13 We aim to process withdrawals within 1 business day of any request being made. Assuming there are no impediments, restrictions (e.g. unverified sources, but not limited to this) and we can process the withdrawal, then the settlement time is dependent on our bank, card payment issuer settling the funds with your bank or card provider. This settlement time can vary significantly.

10.14 Trade Nation reserves the right to restrict the number of debit and credit cards that you use to deposit funds.

10.15 Card repayments:

(a) To UK clients typically take 2-3 business days but can take longer.

(b) To Non-UK clients typically take longer than 3 business days.

(c) We can only initiate a review with a card processor or payment services gateway if your funds have not been received after 10 business days.

10.16 Bank transfer payments:

(a) Our default bank transfer withdrawal is made via Faster Payment.

(b) To UK banks typically take 1 business day to settle.

(c) To banks outside the UK but within the European Economic Area typically take 3-4 business days to settle.

(d) To banks outside the European Economic Area can take up to 8 business days to settle.

10.17 We will make every endeavour to assume bank charges for withdrawals as ours. However, we cannot, ultimately, control charging behaviours of banks and whilst we will review exceptions, our default position is not to reimburse clients for bank charges levied outside of our control.

10.18 Without prejudice to any other rights to which we may be entitled, we may, at any time and without notice to you, set off any amount (whether actual or contingent, present or future) at any time owing between you and us. You are also entitled to require us to exercise the right of set off in relation to all your Accounts and/or positions which have been closed. If the right of set off has been exercised, all the payment obligations will be consolidated into either an obligation for you to pay a net sum to us or for us to pay a net sum to you, depending on whether there is positive or negative balance on the Account.

10.19 Interest shall accrue on a daily basis on any overdue payments until they are made in full at a rate of 4% above the base lending rate of the Barclays Bank.

(a) Should the matter require court action to settle an amount due to us, interest will be charged at the statutory rate of interest allowed by any court handling a legal dispute between you and us, whichever percentage is higher, and will be payable on demand. We reserve the right to seek reimbursement for all legal costs incurred in the recovery of overdue payments.

(b) Having further regard to Clause 10.19 (a), we may contact and employ the use of a debt recovery agency to recover monies and/or overdue payments from you.

10.20 Certain Transactions may result in you incurring profits or losses which are not in the Base Currency. We will convert all such profits or losses into the Base Currency amount based on the prevailing market rate. You agree and acknowledge that any Transaction which is not in the Base Currency exposes you to an additional currency risk.

10.21 We are bound to comply with our best governance procedures, best practice, government guidelines or any other Anti Money Laundering (“AML”) regulations that prevent us from accepting funds from certain jurisdictions or in regard to potentially, suspicious activities. We reserve the right to return any funds that do not originate from the country that you have previously declared to us in opening your Account and/or the country you reside in.

11. CLIENT MONEY

11.1 In accordance with the Applicable Rules and Regulations, we will hold all money received from you in accordance with the FCA’s Client Money Rules (the “**Client Money Rules**”).

11.2 Subject to Clause 11.3 below, any money transferred to us by you, will be held by us on trust for you and will be segregated from our own money. It may not be used by us for the purposes of our business. In the event of our insolvency, your money will be excluded from our assets.

11.3 We may hold client money on your behalf in an account with a bank or third party. Should the third party become insolvent, or suffer a similar failure, there is a risk that the client money will be subject to the insolvency proceedings of the third party.

11.4 We shall be responsible under the Applicable Rules and Regulations for the acts or omission of any third party in relation to your client money. Should such a third party become insolvent, you would still have recourse against us under the Applicable Rules and Regulations.

11.5 If you have been classified as a Professional Client or an Eligible Counterparty by us, we may agree, in accordance with the Applicable Rules and Regulations, that money we hold on your behalf may not be treated as client money and your money will not be held in accordance

with the Client Money Rules. We will acquire full ownership of any sums which are not treated as client money for the purpose of securing or covering your present, future, actual, contingent or prospective obligations. Such sums may not be segregated from money held in our own account and may be used by us for the purposes of our business. You will rank as a general creditor of our firm only in respect of this money in the unlikely event of our insolvency.

- 11.6** We do not pay interest to clients on any client money held by us.
- 11.7** You will not grant any security interest in or over your Account, or the money in it, to any person other than us.

In accordance with the FCA Client Money Rules we will donate these funds to charity; either after the six-year period has elapsed or earlier with your authorisation if we are able to trace you. 13. MARKET ABUSE

13.1 You acknowledge that, particularly due to the fact that we hedge some of our liability to clients by opening analogous positions with other institutions, your Transactions with us can have an impact on the external market for the relevant Instrument and on the buy and sell price which we offer in relation to an Instrument. This enhances

the possibility of market abuse. For the purpose of preventing such abuse, you represent and warrant to us that:

(a) you will not and have not entered into a Transaction with us if to do so would result in you, or others you are acting in concert with, to have had to disclose your participation with such an Instrument in the underlying market;

(b) you will not and have not entered into a Transaction in connection with:

(i) a placing, issue, distribution or other similar event;

(ii) an offer, takeover, merger or other similar event; or

(iii) any corporate finance activity.

(c) you will not and have not entered into a Transaction that contravenes any law or regulation prohibiting insider dealing, market manipulation or any other form of market abuse or market misconduct.

13.2 You will not place or close a Transaction and you will not place an Order that contravenes any primary or secondary legislation or other law against insider dealing or market manipulation. For the purposes of this term you agree that we may proceed on the basis that when you open or close a Transaction or place an Order with us on an instrument, you may be treated as dealing in securities within the meaning of Part V of the Criminal Justice Act 1993.

13.3 If you place or close any Transaction or place an Order in breach of the representations and warranties given in Terms 13.1(a), 13.1(b), 13.1(b)(i) or 13.1(b)(ii) or 13.1(b)(iii) or 13.1(c) and we have reasonable grounds for suspecting that you have done so, we may at our absolute discretion and without being under any obligation to inform you of our reason for doing so close that Transaction and any other Transaction that you may have open at the time, if applicable, and also do any of the following at our absolute discretion:

(a) enforce the Transaction or Transactions against you if it is a Transaction or Transaction under which you have made a Loss;

- (b) treat all your Transactions that meet the circumstances set out in this term as void if they are Transactions under which you have secured a profit from us, unless and until you produce evidence that satisfies us that you have not, in fact, committed the breach of warranty and/or misrepresentation the suspicion of which was the ground for us taking action under this Term. For the avoidance of doubt if you do not produce such evidence within the period of three months from the date on which action is taken by us under this Term, all such Transactions will be finally null and void as between you and us; or
 - c) cancel any Order on your Account with us.
- 13.4** You acknowledge that it would be improper and potentially illegal for you to deal in the Instrument if the sole purpose of such a Transaction was to manipulate the buy or sell prices, and you agree not to conduct any such Transactions.
- 13.5** You acknowledge and agree that we may undertake any such measures and comply with any such regulation as is appropriate to conduct either regular or periodic checks, assessments or other such reporting on your Transactions throughout the lifetime of your Account and where appropriate after the Account has closed.
- 13.6** You acknowledge that we are entitled (and in some cases required) to report to any relevant regulatory authority details of any Transaction or Order entered into or requested by you.
- 13.7** You will be deemed to repeat the representations and warranties contained in Clause 12 at the time you enter into this Agreement, every time you enter into a Transaction and every time you give us any other instruction.
- 13.8** You are responsible for making any required notifications under the City Code of Takeover and Mergers (the “**Code**”) and under the short selling disclosure requirements.
- 13.9** You agree that we will share information regarding your Transactions, Account activity and any other relevant information about you if the FCA or any other regulatory authority empowered to seek information about you demand this and that you shall indemnify us against any claim for Losses should we be required to take any action on your account.

14. INDEMNITY

14.1 To the extent permitted by law, you agree to indemnify us in respect of all Losses that may be incurred by us as a result of:

(b) any reliance placed by us on any information or declaration provided by you to us, or any third party; and

- 15.4** Where we are unable to close out a Transaction pursuant to this Clause 15 with one additional Transaction, we may be required to close the Transaction in tranches, which may result in multiple Transactions at different prices. 3. OUR SPREADS

Our spreads change from time to time and are available in our Market Information Sheets which are available on the website.

4. MARGIN REQUIREMENT

Spread Bet Initial and Variation Margin.

- a) Each contract that you have opened with us has an ‘Initial Margin requirement’. For Spread Bets, this is either a set percentage of the value of the contract represented by the Spread Bet or a factor figure of the stake of the Spread Bet. The set percentage and the factor figure will vary according to the contract and may be varied by us at any time. You must ensure that you are aware of the ‘Initial Margin requirement’ before entering into a contract with us. You must maintain the level of Account equity above, the sum of these ‘Initial Margin requirements’ at all times. If your Account falls below this level, you must immediately deposit further funds into your Account to restore the required value.
- b) If at any time the value of your Account falls below the value required to maintain your open positions, we may at our absolute discretion do any of the following:
 - Contact you to demand you to either deposit further funds or close part or all of your open positions;

- Close part or all of your open positions without reference to you; or
 - Wait for you to take steps to bring your Account into order.
- c) You should note that if your positions are closed due to insufficient Margin on your Account, you may realise a Loss as a result. This Loss, like any other, is due and payable immediately.

5. COMMISSION, DAILY FINANCING FEES AND DIVIDENDS

(a) We may charge a commission for each Transaction which opens or closes an open position. If we apply a commission, we will state our commission rates in our Market Information Sheets which are available on the website.

(b) For open positions in all Spread Bet markets other than expiring Spread Bet markets, daily financing fees will apply. Under normal market conditions, we will charge you daily financing fees each day on a long position and we may pay you daily financial fees each day on a short position. It is important to note, in certain market conditions, for example where underlying interest rates are low, we may require you to pay a daily financing fee where you would ordinarily have received a daily financing fee. Daily financing fees are debited or credited to your Account (as appropriate). We may vary the method of calculating the daily financing fees and/or commission.

(c) The cost of the daily financing fees will be debited from (for long positions) or may be credited to (for some short positions) the cleared funds in your Account.

(d) We may (acting reasonably and in accordance with what we regard to be good market practice) make dividend adjustments to open positions in a Spread Bet market where a dividend has been paid to holders of an underlying Instrument. In the case of long positions, these may be credited to your Account and in the case of short positions these may be debited to your Account. We will normally make such adjustments at the time that the Trading hours commence on the day that the underlying market goes ex-dividend to holders of the underlying Instrument.

Index Dividends

Our Rolling Cash indices have dividend adjustments which are made when the composite companies in the index trade 'ex-dividend'. This is the amalgamated value of the dividends related to the weightings the stocks have in the index. Where an Index trades ex-dividend, and it is important to note that this event can happen on a weekly basis, 90% of the total amount of the dividend will be credited to your Account if you are long or have a buy Transaction, and 100% of the total dividend will be debited from your Account if you are short or sell Transaction. The adjustment will appear on your Account under the heading 'Dividend Adjustment'.

Charges

a) Where you have opened a sell Order in respect of an Instrument, we reserve the right to pass on to you any stock borrowing charges incurred by us (or passed on by an intermediate broker). If you do not pay any stock borrowing charges that become payable after you have opened such a Spread Bet, or we are unable to continue to borrow that Instrument in the Underlying Market (and we give you notice to that effect), we will be entitled to close your Spread Bet in respect of that Instrument with immediate effect. Where we close your Spread Bet in these circumstances you acknowledge that this may result in you incurring a Loss on the Spread Bet.

(b) Further, you fully indemnify us against:

(c) any fine, penalty, liability or other similar charge imposed on us for any reason by any underlying market or any other regulatory authority that relates in any way to your opening or closing a Transaction or any related Transaction by us to hedge your Transaction; or

(d) any stock recall or buy back fees imposed by any underlying market in relation to a Transaction placed by you.

6. PROFIT AND LOSS

(a) Profit and Loss for an open position will form part of the Account equity calculation and the available trading resources. If at any time the value of your Account falls below the value required to maintain your

open positions, we may at our absolute discretion do any of the following:

- (i) Contact you to invite you to either deposit further funds or close part or all of your open positions;
- (ii) Close part or all of your open positions without reference to you; or
- (iii) Wait for you to take steps to bring your Account into order.

(b) Unrealised Losses will reduce the amount you have available to place Transactions and may result in your positions being closed in accordance with this Agreement.

(c) When an open position is closed, realised profit or realised Loss is calculated as the difference between the opening and closing price multiplied by the quantity.

(d) Realised profits or realised Losses will be credited or debited from the cash balance in your Account.

7. TAXES

(a) We do not withhold any sums for tax purposes on the realised profits or on any daily financing fees that you receive as a result of holding short positions in Spread Bet markets.

(b) You are responsible for the payment of all taxes that may arise in relation to your Transactions.

(c) We pay UK betting duty due on any Transactions in Spread Bet markets although we may change this by giving you notice in accordance with clause 18.2.

8. ADJUSTMENTS

(a) An Instrument may become subject to possible adjustment as the result of a corporate event having a diluting or concentrating effect on the value of the Underlying Market. Such events may include: a subdivision, consolidation or reclassification of shares; a share buy-back

or cancellation, or a free distribution of shares to existing shareholders by way of a bonus, capitalisation or similar issue; a distribution to existing holders of the underlying shares of additional shares, other share capital or securities granting the right to payment of dividends and/or proceeds of liquidation of the issuer equally proportionately with such payments to holders of the underlying shares, or securities, rights or warrants granting the right to a distribution of shares or to purchase, subscribe or receive shares, in any case for payment (in cash or otherwise) at less than the prevailing market price per share as determined by us.

(b) If an Instrument becomes subject to an adjustment resulting from a corporate event we will determine the appropriate adjustment, if any, to be made to the size and/or value and/or number of the related Spread Bet taking Account of the diluting or concentrating effect necessary to preserve the economic equivalent of the rights and obligations of the parties in relation to that Spread Bet immediately prior to that corporate event; and/or replicate the effect of the corporate event on someone with an interest in the relevant underlying Instrument, to be effective from the date determined by us and which may, for the avoidance of doubt, be retrospective.

(c) Any adjustment to the size and/or value and/or number of any Spread Bet will be determined reasonably and will be binding on you. If you hold a long position in a Spread Bet that is affected by a corporate event, we may write to you concerning the proposed adjustment to your Account.

(d) Adjustments for all of your positions will be made to reflect dividend, interest and other alterations relevant to particular Transactions.

(e) Adjustments will be calculated and will be credited to and/or deducted from your Account when and where applicable.

(f) Dividends will be credited to your Account if you bought, i.e. opened a long position, and debited if you sold, i.e., opened a short position.

(g) Any dividend adjustment will be calculated in respect of open positions held on the dividend day for the relevant underlying security.

(h) The dividend adjustment will generally be 100% of the amount of the gross dividend where you hold a short Spread Bet and 90% where you hold a long Spread Bet. Further details of these are available on request.

9. ADJUSTMENTS FOR TAKEOVERS

If at any time a takeover offer is made in respect of a company, then at any time prior to the closing date of such offer we may give notice to you of our intention to close a Spread Bet in respect of that company's instruments. Where appropriate, we may substitute for this a Spread Bet based on the stock of the acquirer at an equitable price. The date of such notice will be the closing date and the closing level will be such price as we notify to you. References to "offer", "takeover" and "closing date" in this Clause 10 have the meaning given to them in the City Code on Takeovers and Mergers ("**The Code**"), as amended from time to time. These expressions will, to the extent necessary, be applied by us (acting reasonably) to analogous events on any non-UK stock exchange. You acknowledge that we will not transfer voting rights relating to an underlying share or other Instrument to you, or otherwise allow you to influence the exercise of voting rights held by us or by an agent on our behalf.

SCHEDULE 2

Supplemental Terms for CFD Trading

CONTRACTS FOR DIFFERENCE (CFDs)

1. CFDs are a Transaction on the difference between the opening and closing price of a contract. The price of the CFD is determined by reference to the price of the Underlying Market, such as shares, indices, commodities, currencies or fixed income securities. Features of our CFDs are described below.
2. These Supplemental Terms for CFD Trading set out the Terms and Conditions under which we offer our range of CFDs and it forms part of the Agreement.
3. Unless separately defined in these Supplemental Terms, words and expressions shall have the meanings given to them in the main body of this Agreement.

FINANCING CHARGE AND MARGIN

Financing Charge (for CFDs).

4. A daily financing charge may apply to each open CFD position at the close of the trading day. Under normal market conditions we will charge you daily financing fees each day on a long position and we may pay you daily financial fees each day on a short position. It is important to note in certain market conditions, for example where underlying interest rates are low, we may require you to pay a daily financing fee where you would ordinarily have received a daily financing fee. The financing charge will be credited or debited (as appropriate) to your Account on the next trading day after the day to which it relates. In the event that you have insufficient funds or fail to pay the financing charge when it falls due we will be entitled to close out your relevant CFD position with immediate effect.
5. The method of calculation of the financing charge varies depending on the type of CFD concerned. The amount of financing charge will vary as it is calculated by reference to the relevant interest rate to which the Underlying Market of the Transaction relates to. For instance, the UK 100 Instrument is denominated in GBP and therefore the London

Interbank Offered Rate, LIBOR, would be used as the relevant interest rate.

6. We reserve the right to vary the method of calculating the financing charge, financing rates and/or the types of CFDs to which the financing charge applies by not less than 14 days written notice to you.

CFD Initial and Variation Margin

7. Each contract that you have opened with us has an 'Initial Margin requirement'. For CFDs, this is either a set percentage of the value of the contract represented by the CFD or a factor figure of the number of CFDs. The set percentage and the factor figure will vary according to the contract and may be varied by us at any time. You must ensure that you are aware of the 'Initial Margin requirement' before entering into a contract with us. You must maintain the level of Account equity above, the sum of these 'Initial Margin requirements' at all times. If your Account falls below this level, you must immediately deposit further funds into your Account to restore the required value.
8. If at any time the value of your Account falls below the value required to maintain your open positions, we may at our absolute discretion do any of the following:
 - (a) Contact you to demand you to either deposit further funds or close part or all of your open positions.
 - (b) Close part or all of your open positions without reference to you; or
 - (c) Wait for you to take steps to bring your Account into order.
9. You should note that if your positions are closed due to insufficient Margin on your Account, you may realise a Loss as a result. This Loss, like any other, is due and payable immediately.

COMMISSION AND CHARGES

Commission

10. Commission may be payable by you when you open and close CFD Transactions. You should refer to the Market Information Sheets which are available on the website or on request for details and to ascertain

the rate of commission and whether any minimum amount of commission is payable. Commission payable will be debited from your Account at the same time as we open or close the relevant CFD Transaction.

11. We reserve the right to vary the method of calculating commission, commission rates and/or the types of CFDs in respect of which commission is payable by no less than 14 days written notice to you.
12. You should note that if we agree to execute an Order in accordance with your specific instructions, and in doing so we incur costs in excess of those which would have arisen had the Order been executed in the normal manner indicated in our Best Execution & Order Handling Policy, we may pass on those excess costs to you. Where this applies, we will notify you of those additional costs or their basis before we accept your Order.

Charges

13. Where you have opened a sell Order in respect of a particular instrument, we reserve the right to pass on to you any stock borrowing charges incurred by us (or passed on by an intermediate broker). If you do not pay any stock borrowing charges that become payable after you have opened such a CFD, or we are unable to continue to borrow that instrument in the underlying market (and we give you notice to that effect), we will be entitled to close your CFD in respect of that Instrument with immediate effect. Where we close your CFD position in these circumstances you acknowledge that this may result in you incurring a Loss on the CFD.
14. Further, you fully indemnify us against:
 - (a) any fine, penalty, liability or other similar charge imposed on us for any reason by any underlying market or any other regulatory authority that relates in any way to your opening or closing a Transaction or any related Transaction by us to hedge your Transaction; or
 - (b) any stock recall or buy back fees imposed by any underlying market in relation to a Transaction placed by you.

EXPIRY

15. Each CFD will run in perpetuity unless and until it is closed in accordance with this Agreement. When this happens, any profit or Loss on the Transaction will be realised and will be debited or credited to the cash balance on your Account.
16. For the avoidance of doubt, we will not under any circumstances arrange delivery of underlying Instruments. You acknowledge that we will not transfer voting rights relating to an underlying security to you, or otherwise allow you to influence the exercise of voting rights held by us.

HOW TO CALCULATE A PROFIT OR LOSS ON A CFD

17. When you close a CFD position, any profit or Loss will be realised and credited or debited to your cash Account.

For a long CFD, the settlement amount will be:

$(\text{closing price} - \text{opening price}) * \text{number of contracts}$

For a short CFD, it will be

$(\text{opening price} - \text{closing price}) * \text{number of contracts}$

18. This cash settlement figure will be credited to your cash balance if it is positive or debited if it is negative.
19. Note that either or both of the opening price and the number of contracts may have been adjusted since the CFD was opened to reflect corporate actions as described below.

ADJUSTMENTS

Adjustments for dividends

20. Adjustments for all of your positions will be made to reflect dividend, interest and other alterations relevant to particular Transactions.
21. Adjustments will be calculated and will be credited to and/or deducted from your Account when and where applicable.

22. Dividends will be credited to your Account if you opened a long position and debited if you opened a short position.
23. Any dividend adjustment will be calculated in respect of open positions held on the dividend day for the relevant underlying security.
24. The dividend adjustment will generally be 100% of the amount of the gross dividend where you hold a short CFD and 90% where you hold a long CFD. Further details of these are available on request.
25. Our Rolling Cash indices have dividend adjustments which are made when the composite companies in the index trade 'ex-dividend'. This is the amalgamated value of the dividends and the weightings the stocks have in the index. Where an Index trades ex-dividend, and it is important to note that this event can happen on a weekly basis, 90% of the total amount of the dividend will be credited to your Account if you are long or have a buy Transaction, and 100% of the total dividend will be debited from your Account if you hold short or sell Transaction. The adjustment will appear on your Account under the heading 'Dividend Adjustment'.

Adjustments for corporate events

26. An Instrument may become subject to possible adjustment as the result of a corporate event having a diluting or concentrating effect on the market value of any Instrument. Such events may include: a subdivision, consolidation or reclassification of shares; a share buy-back or cancellation, or a free distribution of shares to existing shareholders by way of a bonus, capitalisation or similar issue; a distribution to existing holders of the underlying shares of additional shares, other share capital or securities granting the right to payment of dividends and/or proceeds of liquidation of the issuer equally proportionately with such payments to holders of the underlying shares, or securities, rights or warrants granting the right to a distribution of shares or to purchase, subscribe or receive shares, in any case for payment (in cash or otherwise) at less than the prevailing market price per share as determined by us.
27. If an Instrument becomes subject to an adjustment resulting from a corporate event we will determine the appropriate adjustment, if any, to be made to the size and/or value and/or number of the related CFDs taking Account of the diluting or concentrating effect necessary to preserve the economic equivalent of the rights and obligations of the

parties in relation to that CFD immediately prior to that corporate event; and/or replicate the effect of the corporate event on someone with an interest in the relevant Underlying Market, to be effective from the date determined by us and which may, for the avoidance of doubt, be retrospective.

28. Any adjustment to the size and/or value and/or number of any CFDs will be determined reasonably and will be binding on you. If you hold a long position in a CFD that is affected by a corporate event, we may write to you concerning the proposed adjustment to your Account.

Adjustments for takeovers

29. If at any time a takeover offer is made in respect of a company, then at any time prior to the closing date of such an offer we may give notice to you of our intention to close a CFD in respect of that Instrument. Where appropriate, we may substitute for this a CFD based on the stock of the acquirer at an equitable price. The date of such notice will be the closing date and the Closing Level will be such price as we notify to you. References to “offer”, “takeover” and “closing date” in this Clause have the meaning given to them in the City Code on Takeovers and Mergers (“**The Code**”), as amended from time to time. These expressions will, to the extent necessary, be applied by us (acting reasonably) to analogous events on any non-UK stock exchange. You acknowledge that we will not transfer voting rights relating to an underlying share or other Instrument to you, or otherwise allow you to influence the exercise of voting rights held by us or by an agent on our behalf.
